

April 10, 2017

Dear Tanvir Pavel:

We are pleased to inform you that you have been awarded a 2017-2018 Morris and Anita Broad Research Fellowship in the amount of \$750. Made possible through a generous gift from Morris and Anita Broad and awarded by the Steven J. Green School of International and Public Affairs, the fellowship will be used to support your research, as outlined in your proposal.

Due to strict stipulations of the FIU Foundation, Inc., the Broad Fellowship can only be disbursed as a reimbursement. You must cover the costs associated with your research, after which you will be reimbursed for the expenses up to \$750. Allowable expense reimbursement includes airfare, lodging, meals, and ground transportation; supplies (non electronic), books, data acquisition, data transcription, and conference registration.

In order to be reimbursed, you must present to the Green School all original receipts and a one-page report highlighting how the Broad Fellowship advanced your research. If you seek to be reimbursed for airfare, we will also need a copy of the electronic airline ticket and a copy of your boarding pass. We cannot process the reimbursement without these documents.

In relation to the above stipulations, if you are travelling, please note that a Travel Authorization (TA) must be completed before travel. In addition, receipts must be turned in within 10 days of the expense or within 10 days of the return from travel.

Please work with Green School Administrative Assistant Myriam Rios to process the TA and subsequent reimbursement. You can reach Myriam at riosm@fiu.edu or 305-348-6561. The reimbursement must be processed by June 29, 2018. After that date, the award becomes null and void.

Please note that by accepting this fellowship, which you must indicate on page 2 of this letter, you acknowledge and agree to be bound by the stipulation that this award is for the sole purpose of advancing your academic work as outlined in your proposal. By accepting the award you also agree to acknowledge the Morris and Anita Broad Research Fellowship Award in your end product, whether it be a publication or presentation.

Congratulations on receipt of this award to support your scholarly endeavors.

John F. Stack, Jr.

Dean, Steven J. Green School of International and Public Affairs
