

ECP 3302 (Online)
Introduction to Environmental Economics

Your extra credit assignment is to watch the movie "Erin Brockovich" closely and write a review paper discussing concepts we are covering in the class that can be related to the context of this movie. The review paper should be in a typed write-up not more than 4 pages, double spaced with 12 font size.

To give you some directions, you can talk about Externality, Transaction Cost, Burden of Proof, Coase Theorem, etc. and any other concepts that you can relate to its storyline.
